HOW THEY MET Through a family friend **WEDDING STYLE** The couple outfitted their historic home with custom plaid linens, antique silver bowls, magnolia leaves and locally sourced blooms. —CM

"We wanted a traditional wedding with a twist," Kelley says. Guests gathered on the lawn, where they sipped muscadine-garnished vodka cocktails aptly named for the couple's home, "Muscadine Manor." Afterward, the newlyweds sent partygoers home with sweet handmade honey favors.
