HOW THEY MET Online
WEDDING STYLE Jamie and Tony's engagement in the town of Ravello on Italy's Amalfi Coast ultimately inspired their organic reception style. —AB

"Our color palette came about from a photo I took of the beautiful tile flooring in the main lobby of Palazzo Avino," Jamie (left) says of borrowing design inspiration from an Italian hotel. When it came time to say "I do," the partners exchanged matching platinum wedding bands etched with intricate milgrain.

Potted plants and verdant garlands were scattered throughout the light-filled venue, where guests sipped Sicilian Basil Limonata cocktails made from vodka, simple syrup, limoncello and prosecco. In addition to cake bites, Tony's mother supplied an assortment of homemade Italian cookies for dessert.

The pair swayed to Queen's "You're My Best Friend" for their first dance as Mr. and Mr.
